ABOUT JUNIOR LEAGUE OF BAKERSFIELD

EMPOWERING WOMEN. BUILDING A BETTER BAKERSFIELD.

In celebration of International Women's Month, the Junior League of Bakersfield (JLB) proudly honors the strength, leadership, and compassion of women who are shaping our community every day. For more than 60 years, JLB has been a driving force behind initiatives that uplift families, support children, and empower women to become catalysts for positive change.

Through hands-on volunteer work, leadership development, and community partnerships, our members dedicate thousands of hours each year to projects that make Bakersfield a stronger, more

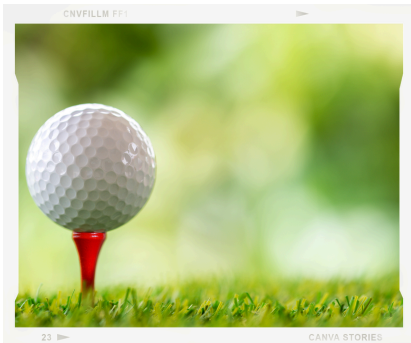

connected place to live. From advocating for children's well-being to supporting women's advancement and education, JLB's impact is felt across generations.

By partnering with the Junior League of Bakersfield, sponsors become part of a legacy of women helping women—creating opportunities, inspiring growth, and building a future where every woman can thrive. Together, we celebrate the incredible power of women who lead with purpose and heart.

Join us in honoring women and investing in the future of our community.
